SHAKE DESIGN COMPANY PROFILE

Partendo dall'equilibrio tra funzione e forma, stile e comfort, lusso e rigore Shake crea con questi valori un design contemporaneo ridefinendo e reinventando materiali, tecniche e forme. Aiming to balance, function and shape, style and comfort, luxury and rigour, Shake signs a contemporary concept of design that redefines and reinvents materials, techniques and outlines.

Creatività, ricerca, attenzione al dettaglio rappresentano le linee guida e i principi di ideazione e costruzione nella realizzazione di ciascun progetto. I prodotti shake presentano funzionalità e qualità dei materiali che favoriscono la loro durata nel tempo e vengono realizzati con tecnologie efficienti che rispettano l'ambiente. La produzione artigianale del made in Italy supera la logica del prodotto standardizzato e garantisce un elevato livello di personalizzazione.

Creativity, research and attention to detail represent the guidelines and principles of design and construction for the realisation of each project. Shake products feature functionality and quality of materials which enhance their longevity and that are built using efficient and eco-friendly technologies. Handcrafted production of made in Italy overcome the idea of standardised product ensuring a high level of customization.

LUXURY CRAFTMANSHIP

Shake crea prodotti funzionali, contemporanei e con uno stile inconfondibile, in grado di conciliare la più alta tradizione artigianale con l'impiego di sofisticate tecnologie produttive di ultima generazione. Il risultato é un progetto made in Italy, che coglie le esigenze e i gusti di un pubblico internazionale.

Shake creates both functional and contemporary items with a unique style, which are able to conciliate the highest artisan tradition with the use of sophisticated production technologies. The result is a made in Italy project gathering needs and tastes of an international audience.
